Ametikool sai rahastuse tuuleenergeetika erialade arendamiseks

18.01.2024 Liisa Nõukas

Kuressaare Ametikool sai Riigi Tugiteenuste Keskuselt rahastusotsuse kogusummas 1,98 miljonit eurot, et luua tingimused elektrituuliku labade hooldajate õppe läbiviimiseks ja ettevalmistustöödeks tuulikutehnikute õppe alustamiseks.

Eesmärk on uue valdkonna avamisel teetada ettevõtjaid maakonda kõrgema lisandväärtusega töökohtade loomisel, stusotsuse tulemusel saame Upale hooldajate väljaõppeks ja rahvusvahelistele iWO ja IRATA standarditest. Plaan on e praktikale siirdumist," rääkis ametikooli
